Off Site Tours

Sittee River Boat Tour - Experience the tallest mangroves in the Caribbean, crocodiles on the river banks, manatees in the river, iguanas and an extraordinary amount and variety of birds all around you on this guided motorboat trip.

Actun Tunichil Muknal Cave - The most popular caving expedition in Belize, the "Cave of the Crystal Sepulchre" is a notable archaeological site. Venture up to a kilometre underground to find skeletons, ceramics and stoneware left behind by the Mayans. The cave is best known for the skeleton of a teenage girl, possibly a sacrificial victim, whose bones have calcified to a sparkling, crystalline appearance.

Xunantunich, Cahal Pech & Inland Blue Hole - Explore the Xunantunich Maya ruins site, then take a boat across the Mopan River to Cahal Pech Maya ruins. Finish the day with a visit to the Inland Blue Hole for a cool afternoon swim in the pools formed by the collapse of an underwater cave.

Xunantunich & Cave Canoeing - Thoroughly explore the Xunantunich Maya ruins before grabbing a paddle for a canoe trip through the "Underworld"). While paddling through this spectacular cave, your guide will point out skulls, bones, pottery shards, artifacts and more.

River Cave Tubing & Maya Ruins - Choose between Xunantunich and Cahal Pech for an educational and fun guided tour exploring the ruins. About the ancient Maya, their architecture, culture, religion and sacred rituals. After the ruins enjoy a traditional Belizean lunch, then head to the caves via inner tube.

Monkey River & Placencia Town - Explore one of Belize's major rivers by motorboat. As you are on the lookout for Ocelots, Jaguars, Morelet Crocodiles, Manatees, Snakes and more. Then on to the quaint coastal village of Placencia for lunch and shopping.

Cave Tubing & Zipline Adventure - Combine the fun of exploring underground caves via inner tube with the exhilaration of a Zipline Adventure.
