Visit our website for departure dates

Package includes: Accommodations, meals, transfers, guided activities and equipment (as per itinerary).
All government taxes and park fees

Package does not include: Int'l airfare, gratuities, medical/travel insurance, snorkel/fishing/scuba gear, additional activities, costs incurred by flight delays

Spend three nights at our Southwest Caye **Basecamp on Glover's Reef Atoll** - a protected marine park and UN world heritage site thirty-six miles off the shore of mainland Belize. Paddle, snorkel and explore its turquoise lagoon and thriving coral reefs. Stay at Southwest Caye Basecamp, where you will sleep in comfortable, safari-style tent cabanas and dine on fresh fish and local cuisine. Enjoy a flexible daily schedule on the reef, with activity choices geared to all abilities.

"Basecamping": sleeping in wall tented cabanas. These spacious safari style tents have ample headroom to walk around and are on raised wooden floors, with real wood-framed beds (6 inch foam mattress) configured with either double or single beds. All bed linen is provided.

Typical Daily Itinerary:

Day 1: We depart from Dangriga at approximately 8 am and typically arrive at Southwest Caye before 10 am. You'll travel by water taxi beyond the main Barrier Reef to our private Basecamp on Southwest Caye within Glover's Reef Marine Reserve. Your guides will introduce you to your new environment and you'll have time to settle into your tent cabana. You'll receive professional instruction, learning the fundamentals of sea kayaking, snorkeling, and tropical water safety. Then you'll paddle to a nearby patch reef and begin exploring some of the 700 snorkel sites that Glover's Atoll has to offer.

Accommodation: Glover's Basecamp

Meals: Lunch, Dinner

Days 2 & 3: Consider starting your day with an early swim or participate in a sunrise yoga session with our resident yoga instructors (available on selected departures). Our itinerary is kept flexible in order to respond to the desires and abilities of both groups and individuals. Activities include: sea kayaking, snorkeling the inner and outer walls of the reef, and learning to sail a kayak. In the mornings and the evenings we host informative sessions on a range of topics - providing an opportunity for guides to share their knowledge of Belize, the marine environments, and local culture. Try your luck in a high stakes game of Hermit Crab racing to finish the day! You always have the choice of just relaxing in a hammock with a good book and a cold beverage.

Accommodation: Glover's Basecamp

Meals: Breakfast, Lunch, Dinner

Day 4: For your last morning on Glover's Reef the choice is yours. You may choose to don a mask, snorkel, and fins for a final visit to your favorite coral reef, or fly fish on the flats before a motor charter arrives to transport you back to the mainland. Arrival in Dangriga is at approximately 1:30 to 2:30 pm.

Accommodation: N/A

Meals: Breakfast, Lunch

Travel Notes: Due to the early morning check-in time, we suggest that you arrive in Dangriga the day prior. This itinerary is a 'guide' and must remain flexible and open to changes at the trip leaders' discretion. We hope you bring a spirit of adventure with you, we cannot direct the winds but we can adjust our sails.
