Typical Daily Itinerary:

Day 1: Your adventure starts with a pick up in the coastal town of Dangriga, and a short 30 minute drive into the southern Maya Mountains. Situated in the middle of Mayflower Bocawina National Park, Bocawina Rainforest Resort is the perfect location to experience the broadleaf tropical rainforest and the amazing flora and fauna. You'll start your trip by settling in and learning about the property and the experiences that lie ahead in the surrounding mountains and rainforest.

Accommodation: Bocawina Rainforest Resort

Meals: Dinner

Day 2: Rise with the first light of day emerging through the jungle mist, and experiencing the sounds of the tropics is a pure delight, with the chatter of parrots and parakeets flying overhead. After a hearty breakfast, we will make a quick stop to the adventure center and get outfitted with a harness. This exhilarating and invigorating hike to Antelope Falls carries us deep into the national park, past an unexcavated Maya trading center and up steep rainforest trails. We make a slow and steady pace up towards the falls, stopping to learn about the jungle flora and fauna from the guides. At the crest of the hike, there is a rewarding cool off in the refreshing emerald pools at the top of the falls. From the top of the hill, we can see past the lowland savannah to the Caribbean Sea. Just a breathtaking setting. After a break, the guides set us up to rappel down Antelope Falls. This is optional and highly recommended for those looking for a thrill. Guests are welcome to hike back down rather than rappel down. We hike back to the restaurant to enjoy a delicious lunch.

After lunch, you will experience Belize's longest rainforest canopy zipline! You start back in the adventure center, to get outfitted in your zipline harness. You will hike to the top of the property for a thorough safety briefing and demonstration from your guides. Then, we cross the suspension bridge to the first platform, where the zipline through the canopy begins. We cross 14 towers, on 9 different runs on this thrilling experience. We return to the lodge for a well deserved "boca" and a drink.

All itineraries are subject to change depending on weather and safety considerations.
As our international guest, flexibility is key to an unforgettable and un-BELIZE-able experience.

Note: Antelope Falls is a 2 pitch, 250 foot drop. A minimum of 100lb per participant. An alternative for families with children and those looking for a less strenuous experience, we recommend Bocawina Falls hike and rappel.
