The **Rainforest Canopy Extension** travels to an off-the-grid jungle resort within the 7000 acre Mayflower Bocawina National Park, in Southern Belize. Journey through the rainforest canopy on Belize's longest zipline, with 14 platforms and 9 different runs (the longest single run being 2,300 feet). Hike along lush rainforest trails to waterfalls and unexcavated Mayan ruin sites. Descend an exhilarating 250ft waterfall rappel down Antelope Falls (optional).

Typical Daily Itinerary:

Day 1: Your adventure starts with a pick up in the coastal town of Dangriga, and a short 30 minute drive into the southern Maya Mountains. Situated in the middle of Mayflower Bocawina National Park, Bocawina Rainforest Resort is the perfect location to experience the broadleaf tropical rainforest and the amazing flora and fauna.

You'll start your trip by settling in and learning about the property and the experiences that lie ahead in the surrounding mountains and rainforest. You may want to sign up for the optional afternoon activities or a nocturnal hike.

Accommodation: Bocawina Rainforest Resort **Meals: Dinner**

Day 2: Rise with the first light of day emerging through the jungle mist, and experiencing the sounds of the tropics is a pure delight, with the chatter of parrots and parakeets flying overhead. Finding a quiet spot to sip a coffee with binoculars close at hand is a sure way to soak in the essence of the rainforest.

After a hearty breakfast, we will make a quick stop to the adventure center and get outfitted with a harness. This exhilarating and invigorating hike to Antelope Falls carries us deep into the national park, past an unexcavated Maya trading center and up steep rainforest trails. We make a slow and steady pace up towards the falls, stopping to learn about the jungle flora and fauna from the guides.

At the crest of the hike, there is a rewarding cool off in the refreshing emerald pools at the top of the falls. From the top of the hill, we can see past the lowland savannah to the Caribbean sea. Just a breathtaking setting. After a break, the guides set us up to rappel down Antelope Falls. This is optional and highly recommended for those looking for a thrill. Guests are welcome to hike back down rather than rappel down. We hike back to the restaurant to our pre-ordered lunch.

Note: Antelope Falls is a 2 pitch, 250 foot drop. A minimum of 100lb per participant. An alternative for families with children and those looking for a less strenuous experience, we recommend Bocawina Falls hike and rappel.

"This extension of our trip was an excellent addition. The stay here was great, the food delicious, the excursions the best! The Zipline is incredible as is the jungle hike, the waterfall rappel and the Mayan Ruins. I would recommend this to anyone staying an extra few days."

Itinerary Cont.

After lunch, you will experience Belize's longest rainforest canopy zipline! You start back in the adventure center, to get outfitted in your zipline harness. You will hike to the top of the property for a thorough safety briefing and demonstration from your guides. Then, we cross the suspension bridge to the first platform, where the zipline through the canopy begins. We cross 14 towers, on 9 different runs on this thrilling experience. We return to the lodge for a well deserved "boca" and a drink.

For those that are up for it, a walk in the rainforest at night is a magical experience. The fireflies start glimmering in the fields, and the click beetles blink as they disappear into the canopy. Explore the moonlit trails and listen to the calls of cicadas, frogs, and birds.

For those staying an extra night, we recommend exploring the miles of hiking trails at Bocawina, a haven for hiking enthusiasts, offering a captivating network of trails suitable for various skill levels. The park features the family-friendly Bocawina Falls Trail or the Bird Loop, ideal for a leisurely hike. Adventure seekers can test their limits on the strenuous Big Drop Falls Trail, leading to a spectacular waterfall.

For those who have experienced ziplining and seek an even more incredible thrill, we suggest the AfterDark zipline adventure. It's exhilarating and a bit spooky but immensely enjoyable. Please book this adventure at least 24 hours in advance; a small fee applies as this is not an adventure on the regular schedule.
